2017 ADVENT DEVOTIONAL

Advent – comes from the Latin word *adventus*; it means *coming*. Advent is about three comings – the birth of Jesus, the incarnation, and the second coming. Advent is the beginning of the liturgical year and is the time when the Church (universal) reenters the story of the coming of King Jesus, the Liberating King.

Joan Chittister writes: “The liturgical year does not begin at the heart of the Christian enterprise. It does not immediately plunge us into the chaos of the crucifixion or the giddy confusion of the resurrection. Instead, the year opens with Advent, the season which teaches us to wait for what is beyond the obvious. It trains us to see what is behind the apparent. Advent makes us look for God in all those places we have until now ignored.”

It is about learning to have eyes that are able to see beauty, hope, and joy where there is none. Our prayer during this season is “God as we wait with anticipation open our eyes so that we may see you more clearly.”

Advent consists of the four weeks before Christmas and each week has a theme. The first week is Hope, week two is Peace, week three is Joy, and week four is Love. As a community we will be lighting candles around the Advent wreath, which has five candles. There are four candles for each week and one big white candle in the middle called the Christ candle, which is lit on Christmas Eve.

We encourage individuals, families, friends, co-workers, and Community Groups to participate in Advent together as a way to draw closer to Christ by positioning ourselves to hear from Him during this season. One of the ways we suggest that you do this is through daily prayer and daily Scripture readings (Sunday – Saturday) that focus on God’s work of salvation through Jesus Christ. Since most of the daily readings are only a few verses, there should be time to read, reflect and discuss the daily reading as a family or with friends or colleagues. For those of you reading with children, you may wish to use a good children’s Bible, such as The Jesus Storybook Bible (talk to Julie if you’d like to see one of these).

We hope that this path of prayer and Scripture reading will prove fruitful for you as you seek Christ during Advent. This is a great opportunity for each of us to allow God to speak to us in new ways this season.

And so as a community this year we want to enter into this season learning to wait with joy in the midst of a society of instant, now and fast food. This devotional is a tool for us to build our waiting muscles. We hope you grow closer to Jesus and that HE reveals Himself to you in a real way this season.

HOW TO USE THE DEVOTIONAL:

The devotional is broken up into 3 parts. The Psalm, Daily Scripture, and Pray for others.

I. Begin each day by reading the *Psalm* for the week. The Psalms help us learn how to communicate our full-selves to God.

II. Then read the *Daily Scripture* passage that is assigned for the day of the week. When you are done reading, take 5-10 minutes to reflect either by journaling, sketching, or just thinking. While reflecting, give God space to speak to you (there are some questions that you can use for reflection at the bottom of each page).

III. *Pray for others*, for your family, those who are suffering in our world, and people in Miami.
